## CATHOLIC EDUCATION 2018

**Did you know?** Some say it is unfair for only Catholics to have publically funded schools. Historically Ontario’s Catholic Education system was established to address the needs of Catholic families, who were a religious minority in the province. In 1867 the British North American Act guaranteed that all educational right held by minorities would be protected.

**Did you know?** Catholic schools have maintained and enhanced their foundational place in Ontario's public education system as it has evolved. It would be unfair to the Catholic community and the people of Ontario, to dismantle a school system that has been an integral part of publicly funded education since 1841. It would also be a dangerous precedent for minority rights in Canada.

**Food for Your Journey - Laughing**

The American humourist Josh Billings spelled horribly. But what he said made lots of sense. Here are his ideas on laughing.

- Anatomically considered, laughing is the sensation of feeling good all over, and showing it principally in one spot.
- Morally considered, a laugh is the next best thing to the ten commandments.
- Theoretically considered, it can out-argue all the logic in existence.
- Pyrotechnically considered, a laugh is the fireworks of the soul.
- If a man can't laugh, there is some mistake made in putting him together.
- And if he won't laugh, he wants as much keeping away from as a bear trap when it is set.
- A genuine laugh is the vent of the soul, the nostrils of the heart.
- And is just as necessary for health and happiness as spring water is to a trout fish.
- Laugh every good chance you can get.
- But don't laugh unless you feel like it.
- For there is nothing in this world as hearty as a good honest laugh.
- And there is nothing more hollow than a heartless laugh.

**A Smile for Your Journey - Afraid of the Dark**

One of Tommy's favourite games was to ride his mother's broom around the yard like a horse. When it started to get dark, Tommy went into the house, leaving

the broom in the yard. In cleaning up after dinner, Tommy's mother asked the boy to bring in her broom.

"But I'm scared to go out in the dark, Mama."

Mother answered, "The Lord is out there, honey. Don't be afraid."

So Tommy opened the back door a crack and called out, "Lord, if you're out there, hand me the broom!"
