

Discovery Camp 2019: Search

The camp is a unique opportunity for those entering grades 7 through 10 to grow in their faith at a time when they are searching for stability and meaning in their lives. The camp follows the teachings of the Catholic faith and gives insight into what it means to be Christian in the world today. Discovery Camp is an open, fun and spirit-filled week adapted to the experiences and age of the youth. The campers will meet Catholic youth from different parishes and will build everlasting friendships. The youth will reflect and share with each other about themselves, their ideals and their hopes for the future. Through each other, the youth will celebrate Christ risen and alive today! It is a time to reflect on the Paschal Mystery and the mystery of the Cross!

This year, the theme of the camp is: "Search." With help from our returning keynote speaker, **Chris Bray**, we will embark on the search for God together. We invite the youth into a relationship with God by encouraging them to ask the big questions about the purpose of life and answering them with the Gospel Message.

"To become aware of the possibility of a search is to be onto something. Not to be onto something is to be in despair." - Walker Percy
