Food for Your Journey - Being a Light in the World

The English writer John Ruskin has given us a good picture of what the Lord wants us to be in our world.

In the olden days before electricity, the streets were lighted by gas lamps. Each evening a lamplighter would go around with a little flame and light one lamp after another.

One evening, Ruskin was sitting in his house looking out the window. Across the valley was a street on the hillside. There Ruskin could see one lamp after another being lighted by the lamplighter as he went along. Because of the darkness, Ruskin could not see the lamplighter, only his burning torch and the trail of lights he left behind.

Seeing that, Ruskin turned to the person sitting with him and said, "There's a good illustration of a Christian. People may never have known him, they may never have met him, they may never even have seen him. But they know he passed through their world by the trail of light he left behind him."

"Let your light shine before people" is the way Jesus said it in Matthew 5:16.

A Smile for Your Journey

A very innovative liturgy director, a religious sister, danced the offertory procession in 'attractive' costumes and playing the banjo. The Bishop was presiding on this occasion of the pastor's golden jubilee. As the 'dancer' approached the altar, the Bishop whispered to the pastor: "If she asked for your head on a platter, she'd have it!"
