This week the EDGE gathered to start the New Year off with a little refresher on Epiphany and were able to hold and smell the Frankincense and Myrrh that we have at the church and see the gold we are also fortunate to have in a nice set. Then we got serious with an EDGE lesson about our Faith and questions about God's existence. We talked about God and Science and how they work together. We will be exploring this more in the upcoming weeks. **Next EDGE Night is January 16<sup>th</sup> at St. Mary's.**

**Food for Your Journey - Celebrating a Baptism**

There was once a family who brought their new born daughter for baptism. Standing alongside during the whole ceremony was a little three-year-old boy of the family. The minister carried the baby into the middle of the congregation to express delight and welcome to the new member of the Church. In one of the front benches of the church sat a very happy and contented grandpa-aged man smiling with a very happy smile. In a voice that all could hear, the little boy said to him, "Would you like to touch our baby?"

"I would," said the elderly man.

So the minister gently held out the baby for the man to touch. The old man seemed so pleased, that the little boy said, "Maybe someone else would like to touch our new baby."

The minister walked down the aisle and hands reached out to touch the baby. "Now," said the minister, "those of you who have touched this child should pass that loving touch to others around you, until all have been touched."

And that is what happened that Sunday. People were so thrilled with that service that they asked if the same thing could not be done at each baptism.

**A Smile for Your Journey**

**Poster found in a Church in France...(translated):**

"When you enter this church it may be possible that you hear "the call of God". However, it is unlikely that He will call you on your mobile. Thank you for turning off your phones. If you want to talk to God, enter, choose a quiet place and talk to Him. If you want to see Him, send Him a text while driving."
