Bishop's Diocesan Ministry Campaign 2020

This year's theme is 'He's not heavy... he's my brother.' Mother Teresa of India dedicated her life of ministry and care to demonstrate to the world that we are all brothers and sisters in Christ. And that no matter what our background, we need to reach out to one another with compassion and love of Jesus. She is an inspiration and example to us all to better understand our call as followers of Jesus.

**It's not how much we give,
but how much love we put into giving.**

- Mother Theresa

St. Mary's goal is \$25,000.00 and Our Lady of Lourdes goal is \$4,000.00. The campaign ends on December 31, 2020. **The Bishop's office was instrumental in helping the parishes in our Diocese continue to operate during the past few months while we were unable to have masses and collections due to the pandemic.** Your envelopes will be ready next week.

Mass at Bear Pass Chapel is done for the summer, but it still needs a new roof!!!

Please contact the parish office at 274-5233 if you would like to contribute towards these necessary repairs. **We have received \$7,603.00 in donations so far!! (\$1000 from the BBQ!)**

The CWL is not able to have our annual bazaar in November. Plans are underway to have a 50/50 draw to help meet our obligations/donations that are usually made each year. We are planning to have a bake sale as well as a couple other draws. Watch the bulletin for details!!!

Also, please continue to sell the quilt tickets. The draw is on October 7th. A lot of money and effort was put into the making of this beautiful quilt by Margaret Fontana! We should be supportive about getting tickets sold - call Nicole (276-6944) or Micaela (274-2273) for more tickets. Thanks!

Food for Your Journey - Storms Can Make Music

There is a legend about a German nobleman who had a castle in the hills along the Rhine. Being a music lover, he stretched some wires between the towers of his castle with the hope that the winds might vibrate them and make music. But the gentle Rhineland breezes produced no sounds.

Then one night a great thunderstorm swept up the valley. Furious winds beat against the castle. Even the mountains roundabout seemed to shake. The baron opened a sheltered window to watch the progress of the storm and, to his astonishment, he heard the strains of beautiful music. Now those wires were humming like guitar strings. It had required a windstorm to bring out the music!

Is it not often so with us? In the day of calm prosperity, little spiritual beauty is seen in us. But when God sends the tempest, He can make music out of it which we never expected to come out of a storm of trouble.

Tailor: Oh, it's so-so.

Electrician: It's fairly light.

Author: All right.

Farmer: It's growing.

Astronomer: Looking up!

Elevator operator: Well, it has its ups and downs.

Trash collector: It's picking up.
