St. Mary's Catholic Women's League Prayer Calendar January, 2024

Here I am Lord, send me!

Oh sing to the LORD a new song, for he has done marvelous things! His right hand and his holy arm have worked salvation for him. The LORD has made known his salvation; he has revealed his righteousness in the sight of the nations. Psalm 98:1–3

The Year Ahead 2024: May God make your year a happy one!

Not by shielding us from all sorrows and pain, But by strengthening us to bear it, as it comes;
Not by making our path easy, But by making us sturdy to travel any path;
Not by taking hardships from us, But by taking fear from our heart;
Not by granting us unbroken sunshine, But by keeping our face bright, even in the shadows;
Not by making our life always pleasant, But by showing us when people need us most,
and by making us anxious to be there to help.

God's love, peace, hope and joy to us for the year ahead.

National Communique: It sometimes seems that the never-ending violence, crisis and suffering in the world become more profound every day. This can erode confidence in the future and create a sense of darkness and hopelessness. But through the Advent message of the love of God, members can come to appreciate that they have the power to rise to their challenges and truly see the beauty and potential for good in the world. Members are called to take strong steps forward as individuals, as Christians, as women and sisters, to contemplate all messages of change wisely and to lead towards just action through faith, prayer and love for each other.

I pray that you may experience the gift of faith, the blessing of hope, and the peace of Christ's love this Christmas and always.

Your sister in the League, Glenda Carson National Chairperson of Social Justice
