### **Turn Debt into Hope: sign the petition!**

In this Jubilee Year, Pope Francis calls on us to take part in the global **Turn Debt into Hope** campaign to “forgive the debts of countries that will never be able to repay them.”

Knowing that 3.3 billion people live in countries that spend more on foreign debt repayment than on health or education, we must act! Sign the global petition calling for:

1. Canceling unjust and unsustainable debts
2. Reforming the global financial system to prioritize people and the planet
3. Establishing a binding and comprehensive debt framework within the United Nations

Please sign the petition in church or online at [devp.org/debt](http://devp.org/debt).
