Food for Your Journey - Challenges

When a teacher finds a really brilliant student in class, he does not exempt him from his work. On the contrary, he loads him with extras, with a double share. A brilliant young musician is given, not easier, but harder music to master. The lad who has starred on the second team is not put onto the third team, where he would walk through the game without a sweat. No; he is put onto the first team, where he has to play his heart out just to break even.

A wise teacher always challenges a pupil. That is what God and Christianity do. The better the Christian we become, the more things we find we should be doing.

A Smile for Your Journey - Quiet

Six-year-old Lisa and her four-year-old brother Tim were sitting together with their parents in church, when Tim started giggling and talking out loud. "You're not supposed to talk loud in church!"

"Why? Who's going to stop me?" Tim asked.

Lisa pointed to the back of the church and said, "See those two men standing by the door? They're hushers."

PARISH ORGANIST & CHOIR DIRECTOR NEEDED

If you are interested in either of these positions, please contact the Parish office or Father Alan. Thanks!

CATHOLIC EDUCATION 2018

Did you know? Some critics of Catholic education say the United Nations has called Ontario's school funding system 'discriminatory'. In fact, the U.N. has not made such a ruling. It was the opinion of some members of one committee – and never moved beyond this opinion. Both the Canadian and Ontario governments have strongly defended the present funding system.

Did you know? The notion that a single education system in Ontario would save money is unfounded. Funding in Ontario is based on a per-pupil calculation.

Amalgamation would not reduce the number of students who still require teachers and classroom space, and support staff and administrative staff. Today Catholic and Public boards work together to save funding for the government in many ways of cooperation.

Did you know? Our Catholic schools work well in the entire education system of Ontario and have done so for many years. Please encourage and thank your local MPP for their support to our school system and indicate your support for Catholic education to them, especially at an election time.
