Catholic Missions In Canada

On August 5th we will have a special collection to benefit Catholic Missions in

Canada which provides financial support to missionaries working in Canada's 25 Mission Dioceses. Sixty percent of this funding addresses the needs of our Indigenous peoples. In 2018, over \$4 million is needed. \$198,000 is needed for missions in our diocese alone. Find out more at www.cmic.info. For parishioners who have envelopes, there is an special envelope for this collection. There is also an envelope attached to the brochure in this bulletin if you need one.

Summer Hours

Summer office hours will be Monday to Thursday, 9am-3pm continuing until the end of August.

FYI: Bulletins will be printed every two weeks during the summer months. Let the office know if there is something you would like to add to the bulletin. Please be aware of the dates if it is time sensitive. Thank you.

At the Sept. general meeting, a white elephant sale will be held with proceeds for malaria bed nets. See what you can find that will entice the buyers!

Thank you and have a good summer!

PARISH SOCIAL COMMITTEE

We are looking for volunteers for our Parish Social Committee. The Social Committee helps to promote a welcoming, receptive and active social environment in the parish by planning and implementing various social events, celebrations and activities occurring at the parish. The Social Committee Member assists in the planning and organization of these events.

The Youth Group is planning to have another garage sale later this summer. They are now able to accept donations. If you have items to donate, please call Kenny Desjardins at 276-4079 for pick up or drop off. Thank you for your continued support.

Food for your Journey – Children Sensing Greatness

The great sculptor Thornwaldsen once carved a statue of Jesus. He wanted to see if the statue would cause the right reaction in those who saw it. So he brought a little child to look at it. “Who do you think that is?” he asked.

“Some great man,” the child answered.

Thornwaldsen knew he had failed, so he scrapped the statue.

He went to work on a new statue. Again he showed it to the child and again asked, “Who do you think that is?”

The child smiled and answered, “That is Jesus who said, ‘Let the little children come to me.’”

Then Thornwaldsen knew he had succeeded.

The test of a child's eyes is a good test. If a child thinks a person good, there must be some kind of goodness in that person. And if a child shrinks away from a person, then that person is surely no Christlike person.

The goodness that can meet the clear gaze of a child and stand the test of a child's simplicity is goodness indeed.

How do children react to you?

A Smile for Your Journey – The Lawyer and the Rancher

A big city lawyer was representing the railroad in a lawsuit filed by an old rancher. The rancher's prize bull was missing from the section through which the railroad passed. The rancher only wanted to be paid the fair value of the bull. The case was scheduled to be tried before the justice of peace in the back room of the general store. The city-slicker attorney for the railroad immediately cornered the rancher and tried to get him to settle out of court. He did his best selling job, and finally the rancher agreed to take half of what he was asking.

After the rancher had signed the release and taken the cheque, the young lawyer couldn't resist gloating a little over his success, telling the rancher, “You really are a country hick, old man, but I put one over on you in there. I couldn't have won the case. The engineer was asleep and the fireman was in the caboose when the train went through your ranch that morning. I didn't have one witness to put on the stand. I bluffed you!” The old rancher replied, “Well, I'll tell you young feller, I was a little worried about winning that case myself, because that darned bull came home this morning.”

The Third Sunday of Every Month will be Food Box Sunday. Bring non-perishable food items for the needy.
