[A Home for Hope: Help Build a House for a Family in Need]

Dear Friends and Kind-hearted Supporters,

Imagine living each day without the comfort of a safe and secure home. For one struggling family, this is their reality. **The family of Jebin (36), Monisha (24), Vimalson (7) and Heavenson (3) from the southernmost tip of India, have no house of their own.** They dream of a stable home, a place where their children can sleep peacefully, study, and grow without fear.

I personally know them. They belong to a parish where I was assigned as pastor as soon as I was ordained a priest in 2001. I support this poor family with funds to educate the children.

Today, we have the power to change their lives. With your generous support, we can build a house that will provide them with safety, dignity, and hope for a brighter future. Every contribution, big or small, brings us closer to making this dream a reality.

Your donation will go directly toward purchasing materials, construction costs, and ensuring that this family finally has a place to call home **around Easter**. Please open your heart and give whatever you can.

How You Can Help:

- ♥ Donate any amount—every dollar counts!
- ♥ Share this appeal with friends and family.
- ♥ Offer prayers and encouragement for the family.

\$1,000 Canadian is equal to \$60,000 Indian Rupees. Our goal is to collect \$3,000 to help this family.

Together, we can build more than just a house—we can build hope, security, and a future. Thank you for your kindness and generosity.

Remember, “whatever you did for one of the least of these brothers and sisters of mine, you did for me.”(Matthew 25:40) and “Be merciful, just as your Father is merciful”. (Luke 6:36)

With gratitude,
Fr. Gino Mathias
